

Examination Score Report Benjamin Schreyer

Oracle Testing ID: OC2125369 1Z0-811 Java Foundations

Exam Date: Saturday, November 28, 2020

Registration: 386256754 **Center ID:** Proctored

Your Passing Score: 85% Score: 65% Result: Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Compare an array and an ArrayList
- Compare and contrast the for, while, and do-while loops
- Compile and execute a Java program
- Describe the components of a basic Java program
- Describe the features of Java
- Develop code that use methods from the String class
- Handle common exceptions thrown in Java
- Identify syntax and logic errors
- Import other Java packages to make them accessible in your code
- Traverse the elements of an ArrayList using iterators, loops including the enhanced for loop

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
 - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
 - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
 - o Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
